Jonas Star will be working on a project over the summer and your department has decided to pay Jonas using Additional Pay.

**SCENARIO #6 - RESPONSE**

<table>
<thead>
<tr>
<th></th>
<th>Uncommon (Very Rare) Summer Hire</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Summer Hire cannot be used in this scenario. A waiver is not used either because there is no FTE assigned to the job.</td>
</tr>
<tr>
<td>2</td>
<td>The new hire is entered in JEMS-Hire without a PVL/recruitment waiver (such as a TA or PA position).</td>
</tr>
<tr>
<td>3</td>
<td>Use JEMS-Hire with a Summer Session or Summer Service pay basis (not Lump Sum).</td>
</tr>
</tbody>
</table>
ADDITIONAL PAY REMINDER

• When adding Additional Pay, choose the correct employment record (Not C-Basis empl record!)
• Unclassified Lump earnings code = LWR (use this when FTE < 1.0)
• Effective date = beginning of the pay period or if they were hired mid-pay period, use the hire effective date.
• End Date (SS/SV) or Goal Amount.
JEMS Summer Hire allows summer appointments to be set up without a waiver when the following conditions are true:

- Person holds an active C-basis appointment
- Continuity is renewable (01, 03, 04) or the continuity is terminal (02, 05) and the Expected Job End Date is after the end of the current academic year
- The terms of the academic year job (title, rate, department) do not need to change for the summer job.
