

The search committee function in TREMS allows a chairperson and committee members to log into TREMS to access applicant materials, share materials with others, write a summary for each applicant, and to record an “outcome” for each applicant (Not reviewed, Meets criteria, Exceeds criteria, Does not meet criteria).

The chairperson has **additional** abilities to: 1) View the outcomes that others have selected for each candidate; and 2) Assign a rank to each applicant.

SETTING UP A SEARCH COMMITTEE

- On the job posting card choose **Yes** for Search Committee. If you do not know who the chair and members will be at the time of creating the posting, your division HR has the ability to add a search committee to the card.

SEARCH COMMITTEE

Do you wish to use a search committee?*: Yes No

Prior to adding a non-UW Madison employee as a search committee chair/member please contact uwjobs@wisc.edu with his/her name and email address. They must be setup as a user of the system prior to adding their name below.

Search committee chair: 
No user selected.

Search committee members:

Recipient No Search con

Search committee member in

- Type the name or use the binoculars to search for a name. This will only access users in the system (all UW-Madison employees); If you are using a non-UW-Madison employee, **first** contact uwjobs@wisc.edu to have them added to the system so you can choose them.
- You can only name **one** person as a Chair.

- Use the Add Search committee member button to add others. If you are using a non-UW-Madison employee, **first** contact uwjobs@wisc.edu to have them added to the system so you can choose them.
- You can add as many members as needed.

COMMUNICATING WITH YOUR SEARCH COMMITTEE

- If you are adding a non-UW-Madison employee to a search committee, you will need to communicate with them that they will be receiving an email from uwjobs@wisc.edu that will allow them to set up their user account in TREMS.
- You should explain to the search committee that they will receive an email that directs them to log in to TREMS when the materials are ready for review.
- The search committee will still communicate results of their discussions to you to change the status of applicants moving through the process. The search committee **cannot** work with the applicant statuses.
- Search committee **cannot** add documents into TREMS. They can only type a summary and choose an outcome. The chair has the additional ability to choose a rank for each applicant.

INITIATING THE SEARCH COMMITTEE REVIEW

- When you are ready for the search committee to access applicant materials, you will move applicants to be reviewed into the **Search committee review** status. When you change the status you should use the communication within TREMS to inform the committee that materials are ready to review.
- Select your applicants. If you are moving all your applicants to the search committee, use the selection menu to select all.

Submitted	Status	Pref Name	First name	Last name	Phone	Mobil	Email	Country	State	City
<input checked="" type="checkbox"/>	New	Christine	Christine	Rapplicant	555-555-555		christineray603@gmail.com	United St	Florida	Margarita
<input checked="" type="checkbox"/>	New	James	James	AppTWO	608-111-111		app2@app2.com	United St	Wisconsin	Madison

- Choose the bulk action of **Bulk Move**. Choose the application status of **Search committee review** and **Next**.

Bulk action status: 6 Applicants Complete

You have requested to move 6 applicants.

Select a status to move these applicants to:

Application status: Select

- Select
- New
- Does not meet minimum qualifications
- Search committee review**
- Hiring Manager review
- Phone screen
- Phone Screen Accepted
- Phone Screen Declined
- Interview
- Interview 1 accepted
- Interview 1 declined
- Interview 2
- Interview 2 accepted
- Interview 2 declined
- Reference check
- Verbal offer
- Background Check
- Background check successful
- Online offer made
- Offer accepted

- The default communication is turned on to send to **Additional users from Job**. In the **Other additional users** area, enter the names or click the binoculars to look up the users that are a part of the search committee. (You must add each member of the search committee. There is no automatic check box to add the search committee.)

Bulk action status: 6 Applicants Complete

You have requested to move 6 applicants to the status "Search committee review".

You now have the opportunity to notify these people::

[Insert School/College/Division]

WHAT THE SEARCH COMMITTEE WILL SEE AND WHAT THEY CAN DO

- Most search committee members, upon logging into TREMS, will see the very basic dashboard. The only exception is if the person has Hiring Administrator or Division HR access to the system – then they will see their regular dashboard. Regardless of the dashboard, the individual will click on the **Jobs requiring search committee (or panel) review** link.

- A committee member will have a link to **View Applicants**. The chairperson will have an additional link to **View Responses**, which allows the chairperson to see the outcomes selected by the committee members.

Only for chairperson.

My search committee jobs							
Job number	Date added	Status	Classification title	Use	Total applications	Your role	
CRayTRAIN80767-US-FTF	10 Sep 2016	Approved	DESKTOP SUPPORT TECH (A067050-INFORMATION TECHNOLOGY/USER SVCS/DEPT SUPPORT)		6	Chairperson	View Applicants View responses

- Within the review screen committee members can view the materials for each applicant by using the icons next to each applicant name. The **view answers** icon will open the entire application which will have links to the documents submitted for the application.
- For each applicant, committee members and the chair can write a **summary** statement (if needed) and choose an **outcome**. The chairperson also has the ability to **Rank** the candidates. The chairperson is the only committee member who can view another member's summary and outcome.

The screenshot shows the review interface for a search committee. On the left, a list of applicants is displayed with checkboxes and icons. A callout points to the 'Bulk compile and send' button, stating: "A search committee member can bulk compile materials for selected candidates into a single document. The results can be sent from the system directly to any recipient via email." Another callout points to the 'view answers' icon next to 'Christine Rapplicant', stating: "The view answers icon will open the application, where the submitted documents are available." A third callout points to the 'Rank' dropdown menu, stating: "Only available to chairperson." The interface includes a 'Summary' section for writing feedback and an 'Outcome' dropdown menu with options: 'Select', '1 Not reviewed', '2 Meets criteria', '3 Exceeds criteria', and '4 Does not meet criteria'. The 'Rank' dropdown has options: 'None', '1', '2', '3', '4', '5', and '6'. At the bottom right, there are 'Save and next' and 'Close' buttons.

- This is an example of what the chairperson will see when they choose **View Responses**.

The screenshot shows the 'View Responses' interface. On the left, a list of applicants is displayed with checkboxes and icons. The 'Feedback provided' section is highlighted. The main area shows 'Overall' feedback from search committee members. Two members, MICHAEL FAY and DON SCHUTT, are listed with their feedback: "3 Exceeds criteria" and "No response".

- The hiring administrator will need to determine the process and set expectations with the search committee for moving applicants into different statuses. The search committee does not have the ability to change an applicant status in TREMS. You will need to partner with the search committee to track the applicants through the process.
